Experience

I used skills I gained writing for TAG magazine at Sussex Downs College in my work on Eastbourne Youth Radio (E.Y.R), presenting the 'Breakfast Show' to a live audience.

For a separate college project I researched factual information, planned, scripted, produced and edited a 5 minute section of a radio documentary 'Drink Driving'.

In August 2015 I wrote a half-hour fictional comedy radio script about a dysfunctional local supermarket entitled 'The Not So Supermarket'. This was submitted to professional production companies.

I attend a youth club SASBAH. Every October an improvised drama production takes place and I assist with the directing. This role involves working with the other directors to help produce a theme and content for the performance which includes people with a variety of complex needs.
