

CURRICULUM VITAE

Charlotte Orrell

Speech and Language Therapist, Registered Intermediary and Forensic Interviewer

Charlotte is a qualified Speech and Language Therapist with over twelve years of specialist experience working with children and young people and with complex communication needs, including learning disability, autism and challenging behaviour. She is a Forensic Interviewer for Triangle, questioning children for Family Court proceedings. She has also worked as a Registered Intermediary since qualifying in 2008, facilitating communication between witnesses with autism at police interview and at trial. She is on the committee of [The Advocate's Gateway](#), which provides advice about how to question vulnerable witnesses. She has also written expert witness reports for the family courts and Special Educational Needs and Disability Tribunals on topics relating to autism and communication. Charlotte is a co-trainer on the Triangle's advanced Forensic Child Interviewing course.
